Dear Parents:

Welcome to Egypt! We're glad you've chosen this amazing experience that will help kids experience Joseph's incredible faith journey from prison to the palace—right alongside Joseph himself! Kids will be learning through dramatized bible stories, hands-on arts and crafts, snacks, and loads of fun at an Egyptian marketplace. All I can say is that kids are in for an unforgettable experience!

**Preschool and Elementary kids** will be in mixed age groups. Preschoolers will be with children who have finished PK 2 through PK 4, and Elementary kids with those who finished kindergarten through 5<sup>th</sup> grade.

**Toddlers** (ages 18 months – 2 years old) will remain in classrooms within their age group. These small groups are called Crews. Each Crew will be led by volunteers who love children and love Jesus.

T-shirt Color of the day is **Monday: White, Tuesday: Blue, Wednesday: Green, Thursday: Purple,**

**Friday: Yellow, Sunday: White**

**Every year we focus on a mission project**—a community or international outreach. This year, we are partnering with KUMC's prayer ministry and kids will make blankets for those who need to feel God's love during a time in the hospital or while sick.

Monetary donations are greatly appreciated to help run Vacation Bible School!

In addition, help us by volunteering your time along with taking a supplies donation card!

Sincerely,

**Yireh Rivera**
