We are pleased to announce that we had the first meeting of the Planned Giving Committee as appointed the in Kendall United Methodist Church's Endowment Resolution. The committee is charged to assure the proper investment of Endowment funds at the United Methodist Foundation. Further, it is responsible for following the instruction that comes from the Resolution and/or the donors' instructions made together with the donation as it relates to investment and distribution.

Once properly funded, the Endowment will be used to ensure the long-term stability of our church finances. It can make funds available for capital projects, community outreach and services as well as education and evangelism.

The committee members are Darren Casey, Webber Lee, Al Merritt, Randy Millian, Pearce Klevan and Beverly McReynolds. Please feel free to ask any one of us any questions you might have about the Endowment or to reach out to the church office for more information.
