KENDALL UNITED METHODIST CHURCH

As you consider giving to KUMC, let it be with joy and gratitude, knowing that you are investing in God's kingdom and making a difference in the lives of others. Giving is an act of worship and encourages a spirit of generosity, aligning our hearts more closely with God's purpose.

Let your heart guide you in your giving, as your treasure lies where your heart is.

Thank you for your contributions! Your giving not only supports the essential work of our church, but also represents the very essence of Christ's love and compassion for others!
